**Alva Inc. Board of Directors Meeting
April 22, 2010**

A Board of Directors meeting was held Thursday April 22 5:30PM on the creekside patio at the Mother of God House of Prayer. "Twas a beautiful Alva Evening complete with delectable nourishment followed by Connie's exquisite carrot cake. After the respite, President Ruby Daniels woke us and called the meeting to order. In attendance were 6 people.

Minutes of the March meeting were summarized and approved.

The Alva Inc. Political Candidate Forum is schedule for July 12th. The newly- enacted high fees charged by the school will drain the Alva Inc. bank account. We shall ask candidates for a non-binding donation of \$25.00 to defray expenses. The secretary needs to work on invitations. The board needs to find the old forum signs and have them updated.

Historic Alva photos will be displayed at the forum and neighbors will be asked if they can identify the settings and people.

North Olga Plan: After receiving the draft staff report, the applicant postponed the LPA Hearing until May.

EAR Hearing: Held April 13th at Riverdale Library. Ideas/concerns were heard and put on the record.

EPA Nutrient Hearing: Thanks to Marti Daltry's organization and participation by many, the EPA has heard local concerns loudly and clearly.

Community Planning: Jerry noted the "winds of change" at both the county and state level for planning to preserve rural areas and focus growth in urban areas. He cited HB 697 as an example. The Board approved his visit to Tallahassee to listen and input. Draft policy language for the objectives approved at the April Alva meeting will be presented at the May meeting.

Meeting with Ms. Kathie Ebaugh, Lee Community Planning Manager, scheduled for April 27 10 AM at the Jim Green Realty office.

Landscape SR 80: Planning has begun for the area from Hickey Creek to the Hendry County Line. Alva will be providing input to Mr. Pat Moore of LDOT

Meeting adjourned.

Respectfully Submitted,

Jim Green, Secretary
