ALVA INC BOD Meeting
5-20-11
Call to order at 7:08 p.m

Attendance: B. Redfern, J. Murphy, C. Dennis, R. Daniels, M. Stottlemeyer, J. Hawkins, S. Brodtkin, J. Green

Invocation by B. Redfern and a warm welcome by President Daniels.

Minutes from BOD March, 2011 were read. M. Stottlemeyer moved to approve, seconded by J. Hawkins, and unanimously approved.

J. Murphy gave a sneak preview of the presentation he will show before the LPA meeting on May 23, 2011. Colorful pictures representing different aspects of the Alva community were shown with brief explanations of each picture.

We then discussed the upcoming Alva Community Plan and Jerry shared that the county lawyers want us to change the wording from "prohibit" to "discourage" regarding increased total allowable density and mining (34.1.5 and 34.2.2). After much discussion, the consensus was to keep the word "prohibit" in both instances and explain our reasoning to the LPA.

Jerry said he will send an email of further ideas for prioritizing future goals for the Alva Community.

President Daniels told us of important future dates involving the community and encouraged everyone to attend the LPA meeting.

Meeting adjourned at 8:15 p.m.

Respectfully submitted,

Connie Dennis, Secretary
